GOVERNMENT OF INDIA
MINISTRY OF HOUSING AND URBAN AFFAIRS
NIRMAN BHAWAN

नई दिल्ली-110011, तारीख 20
New Delhi-110011, dated the 20

DO. No. Z-22011/1-PG/2021-CPHEEO

Date: 19 February, 2021

Dear *Sir/Madam*,

As you are aware, Government of India is attaching top most priority in improvement of water supply and sanitation services across the country. The Ministry of Housing and Urban Affairs has been implementing 'Swachh Bharat Mission (SBM)-Urban' and 'AMRUT' successfully since 2014 and 2015, respectively. The Govt. of India has recently announced two flagship programmes in the Budget 2021-2022 i.e. 'Jal Jeevan Mission-Urban' and 'SBM-2.0' which will be implemented in the next 5 years with the objective to provide universal water supply and sanitation services in all ULBs across the country. Therefore, States / ULBs need more number of qualified and trained manpower for better planning, designing and implementation of all the water supply and sanitation schemes in cost effective manner and also to ensure proper operation and maintenance of the infrastructure to be developed under these missions.

With the advancement in water and wastewater management technologies, more & more emphasis is being given to total quality management. The subject of Public Health Engineering / Environmental Engineering has been recognized as vital for graduate in-service civil engineers, engaged in delivery of water and sanitation services in the country. While appreciating the need for specialization at P.G. Level for in-service civil engineers, this Ministry has recognized twelve renowned academic institutions in various parts of the country to conduct Post Graduate degree courses of 24 months duration in Public Health Engineering / Environmental Engineering.

The Brochure containing Application Form and Annexure-I, II & III is enclosed for your kind reference. The prescribed proforma for nominating the candidates is placed at Annexure-I. The details regarding the institutes with their intake capacity and eligibility criteria etc. for admission in PG course are placed at Annexure-II. The financial support and other assistance to the Institute and candidate is placed at Annexure-III. The outstation candidates are provided with stipend @ Rs.4,000/- per month during the course period. All the above said Annexure are also available at our website <http://cpheeo.gov.in>.

During the year 2018-19, the Ministry has received only 15 nominations as against the vacancy of 80 seats in these 12 academic institutes. This shows that adequate attention is not being given by the States/UTs/ULBs/Parastatal Agencies to impart training to in-service engineers.

I, therefore request that the concerned department may be directed to nominate at least five suitable candidates to undergo this PG Course for year 2021-22 (2021-23 Batch). The list of the candidates along with the duly filled application form in the prescribed proforma(hard copies), may be forwarded to Shri Vipin Kumar Patel, Assistant Adviser(PHE), CPHEEO, Ministry of Housing & Urban affairs, Room No. 660 A, Nirman Bhawan, New Delhi -110011 **latest by 31st March, 2021** for further necessary action.

With Regards,

Yours sincerely,

(Dr M. Dhinadhayan)

ABOUT THE PHE TRAINING PROGRAMME

The P.H.E. training programme was started in 1956 by the Ministry of Housing & Urban Affairs with the objective of providing training to in-service Engineers and Para-Engineering Staff of the various State Public Health Engineering Departments, Water Supply and Sewerage Boards, Urban Local Bodies etc.

CPHEEO, a technical wing of Ministry of Housing and Urban Affairs has been requesting all the States heads regarding the aforesaid programme for nominations of in-service Engineers working with PHED/ULBs/Boards usually in the month of October/November every year.

OBJECTIVE OF PHE TRAINING PROGRAMME

The capacity building of professional manpower is an essential ingredient for successful implementation and operation & maintenance of water supply and sanitation facilities. The public Health Engineering Departments, Water Supply and Sewerage Boards and other departments including the Urban Local Bodies engaged in delivering of water supply & sanitation services need different level professionals, who should have necessary technical and managerial skills relevant in the field of water supply and sanitation. Their knowledge and skill need to be updated periodically in order to keep abreast of the latest developments in the field of Public Health Engineering/ Environmental Engineering. Keeping in view the above objective PHE training programme is being implemented by the Ministry of Housing and Urban Affairs with the goal to provide training to in-service Engineers and para- engineering staff. Ministry is running following three types of trainings with a view to provide capacity building to PHED/ULBs etc.:

- 1. Post Graduate (M.Tech/ME) Course:** The duration of course is 24 months (4 Semesters) in Public Health Engineering OR Environmental Engineering. Under this programme the Ministry is providing training to in-service Engineers and Para-Engineering Staff of the various State Public Health Engineering Departments, Water Supply and Sewerage Boards, Urban Local Bodies etc. in 12 recognized institutes.

This training is imparted at the following academic institutions:

- (a) All India Institute of Hygiene and Public Health, Kolkata
- (b) Veermata Jeejabai Technological Institute, Mumbai
- (c) Anna University, Chennai

- (d) Visvesvaraya National Institute of Technology, Nagpur
- (e) Motilal Nehru National Institute of Technology, Allahabad
- (f) Shri Jayachamarajendra College of Engineering, Mysore
- (g) Sri G.S. Institute of Technology & Science, Indore
- (h) I.I.T., Powai, Mumbai
- (i) Malviya National Institute of Technology, Jaipur
- (j) I.I.T. Kharagpur, West Bengal
- (k) I.I.T. Delhi, New Delhi
- (l) Jawaharlal Nehru Technological University, Hyderabad

2. Short Term Course (STC):

This programme has been tailored in such a way that Diploma Engineers working in State Public Health Engineering Departments/Water Supply and Sewerage Boards/Urban Local Bodies get adequate exposure towards the finer points of Public Health Engineering, so that they can apply the same in the field. The course is of three months duration. Financial support to the trainees/institutes in the form of stipend, tuition fee, expenses on field visits etc. is extended, thus sharing a major portion of the expenditure. The course is of three months duration. At present the Short Term Course is not conducted in two institutes viz. 1) Anna University, Chennai and 2) Shri Jayachamarajendra College of Engineering, Mysore.

3. Refresher Course:

Refresher Courses on various specializations are sponsored by the Ministry for the duration of 1 to 4 weeks and conducted through different academic, research & professional institutions and State Departments for the benefit of in-service Engineers & Para-Engineering Staff working in junior, middle & senior levels in various State Public Health Engineering Departments, Water Supply & Sewerage Boards & Urban Local Bodies etc. Financial support in the form of honorarium to lecturers, expenses on field visits, preparation of lecture materials etc. is extended to the institute conducting the training courses.

INSTRUCTIONS (Read carefully before applying):

- Three sets of applications are required along with supportive documents separately with photographs.
- The documents should be self-attested or by Gazetted officer.
- The candidates (in service engineers) are requested to fill up the form and submit in your concern department to forward the application to Vipin Kumar Patel, Assistant Adviser (PHE), CPHEEO, Ministry of Housing and Urban Affairs, Room No 660-A, Nirman Bhawan, New Delhi-110011 before last date i.e. 31st March'2021.
- All copies of marks sheets and certificates of Matriculation to Bachelor level (B.E./B.Tech.) should be attached with application.
- Apply in fresh (Latest format) available at our web-site <http://cpheeo.gov.in> only. The old format will not be considered for recommendation of sponsorship in any case.
- The applications (all three sets) should be countersigned by Official Head/HOD/Chief Engineer/reliving officer.
- Priority should necessarily be mentioned against all the Institutes listed as in application form at page No. 6. Request for change of priorities shall not be considered at a later stage.
- Candidates are requested to mention place of present posting, address of communication with **Pin code** along with contact number/E-mail id/Fax number etc.
- Incomplete application will be liable for rejection.
- In Case of the candidate belong to SC/ST/PH; enclose the attested copy of "Caste Certificate/Handicapped certificate" for claim.
- Last date mentioned in the circular is final for receiving of the applications in this Ministry. **NO APPLICATIONS WILL BE ACCEPTED/PROCESSED AFTER LAST DATE.**
- The candidate must have minimum 3 years of experience in Public Health Engineering OR as mentioned against each institutes requirement and preferably below 45 years of age.
- The candidate who had been selected during last academic session and offered admission by the Institute, but not joined shall not be considered while forwarding the nominations.
- In case it is not possible to accommodate the candidates in the Institutions as per their first priority they may be accommodated in other Institutes in subsequent order (s) of priority as mentioned by them in their application subject to fulfillment of eligibility criteria and availability of slots, Ministry's decision is final in this regard.

- In case any candidate discontinues the course or fails to complete the Post Graduate course in all respects including submission of thesis or fails to obtain the P.G. degree within the stipulated time period of 24 months, the entire amount paid by the Government of India (through the Institute) to the candidate towards stipend, tuition & examination fees, contingencies etc. will be recovered from him/her through their department concern.
- Selection of candidates by CPHEEO, M/oHUA, GoI shall be treated as final.
- In case the selected candidate(s) are not relieved in time to enable him/her to join the Institute, it is very likely that the slot kept for him/her will remain unutilized for that academic session and under such circumstances, his/her candidature will not be considered for admission to PG course for the next three academic sessions.
- Sponsored candidates are required to pay/deposit Institute's fees on their own at the time of admission and later, the Ministry reimburses only the tuition & examination fees along with stipend for outstation candidates through the institute to the candidates after receiving the final list of candidates admitted with details of tuition fee, examination fee, date of joining etc. from the Institute.
- For IIT, Delhi the candidates are required to send three sets of applications in CPHEEO and submit online application on IIT, Delhi's website as per information received from IIT, Delhi/CPHEEO.
- BEFORE FORWARDING THE NOMINATIONS OF THE CANDIDATES THE NOMINATING AUTHORITIES ARE REQUIRED TO ENSURE THAT THE CANDIDATES CAN BE RELIEVED FOR THE P.G. COURSE IN THE EVENT OF THEIR SELECTION FOR MINIMUM 24 MONTHS DURATION.
- No TA/DA shall be paid by the Ministry for attending interview/ admission / joining the Institute at the time of admission.
- In case of selection in IIT, Delhi: *After provisional selection CPHEEO/MoHUA will forward hard copy of application to IIT, Delhi for consideration, but applicant/s are directed to apply online through IIT Delhi website.*
- Latest required qualifications for admission in VJTI, Mumbai: *The Directorate of Technical Education, Maharashtra State, Mumbai has intimated that the GATE Score is essential eligibility criteria for admission of sponsored candidates for M.Tech (PHE/EE) admission. CPHEEO, MoHUA had asked Directorate to provide specific required qualifications in this regard.*

ANNEXURE-III

Financial support for undergoing Post Graduate Course in Public Health/Environmental engineering during 2021-22 (2021-23 batch).

FINANCIAL SUPPORT:

- A monthly stipend of Rs. 4000/- is paid to each of the **out-station sponsored candidates** by the Government of India through the Academic Institute/University.
- Expenses towards tuition and examination fees only are borne/reimbursed to each sponsored candidate by the Government of India through the Institute (as per institute's Budget Estimate). All other fees are to be paid by each candidate/nominating department.
- Contingency Grant @ Rs.2500/- per semester (Maximum for 4 semesters only) is sanctioned to the Institute (and not to any individual candidate) by the Government of India.

Note: 1. The Grant-in-aid will be released by this Ministry to the Institutes concerned after receiving the Budget Estimate prepared by the Institutes (along with the latest circular in case of any change in fees structure).

2.The Grant-in-aid will be released to the concerned institute only after receipt of previous Utilization Certificates (in GFR 19-A format) along with the audited statements of expenditure in respect of any Grant-in-aid released by this Ministry to the Institute for PHE training programme.
