## KERALA WATER AUTHORITY

Jalabhavan  
Thiruvananthapuram-695033  
Kerala

### PROCEEDINGS OF THE MANAGING DIRECTOR

**PRESENT : Venkatesapathy. S, IAS**

Sub:- JJM - Transfer/ Shifting of Posts - Head Office - Orders Issued

No: KWA/JB/MD/101/2020

Dated: 23.07.2020

Read:- 1. GO(P).No. 37/2020/MRD dated 08/06/2020 of Water Resources Department

### ORDER

Jal Jeevan Mission (JJM) has been launched by Government of India which aims at providing Functional Household Tap Connection (FHTC) to every rural household by 2024, in collaboration with State Governments on a 50:50 cost sharing basis.

The anticipated cost for 100% coverage of FHTC is around Rs.36000 crores. Based on the guidelines issued by Government of India, in this regard, the Government of Kerala have accorded Sanction for the implementation of JJM vide G.O. dated 08.06.2020 (read-1).

As on 01.04.2020, around 17.5 lakh rural households are provided with water connection, out of 67 lakh rural households in Kerala with FHTC coverage 26% as per IMIS data. The remaining 49.5 lakh households are to be provided with functional household tap connections (FHTC) at the rate of 55 lpcd by 2024 under JJM.

Kerala Water Authority is a unique state wide public sector establishment in drinking water sector and sewerage. In Kerala, water connections (FHTC) are provided on demand basis and on an yearly basis. The maximum number of connections provided in rural area is only one lakh by KWA on demand basis.

JJM being a mission, urgency, accuracy, precision have to be taken into account to provide 49.5 lakh FHTCs.

As per guidelines, 10% of the cost of in-village infrastructure has to be collected from the beneficiaries and 15% of the project cost has to be borne by the concerned Local Bodies. So close coordination with Local Self Governments is essential, in implementing JJM project.

State has ordered stringent financial control measures owing to the outbreak of Covid-19 pandemic and consequent lockdown, hence going for additional staff for the implementation of JJM is not possible. As per this years Annual Action Plan (AAP 2020-21) around 20 Lakh FHTCs are to be provided. In the above circumstances, restructuring of staff within the organization become essential for the speedy implementation of JJM. The following transfers and shifting of posts are ordered herewith for ensuring sufficient field staff are available at the cutting edge level for continuous interaction and monitoring of the schemes.

<b>Restructuring proposal for the implementation of JJM, at Head Office, KWA</b>
