No. 10636/AE 15/2022/KWA

Dated: 07.11.2022

CIRCULAR

Sub:- PRICE 3.0, KWA - Implementation of Phase-II of PRICE 3.0 - Contractors' backlog entry in PRICE 3.0 - Directions issued - reg;

Ref :- 1. Minutes of the review meeting held on 12.10.2022 under the Chairmanship of the Secretary, WRD regarding the progress of the implementation PRICE 3.0 software and e-office in WRD.
2. Intimation received from NIC (K) on 02.11.2022.

Subsequent to the roll out of Phase-I of PRICE 3.0 w.e.f 10.06.2022, implementation of Phase-II was kept in abeyance due to the issues in connection with KWA's contractors' licensing rights. The above issues were discussed in various forums at GoK level and necessary directions from GoK were given to NIC and PRICE PMU for enabling contractors' licensing rights to KWA in PRICE 3.0. In continuation to the same, the "Contractor Backlog Entry" module has been tested and enabled by NIC in PRICE 3.0, KWA.

For progressing any further, the **details of all the contractors registered from various field offices of KWA are to be entered from the login of the respective Head of Offices in the "Contractor Backlog Entry" module** at the earliest. It may be ensured that the license category and the procedure for issuing contract license shall be strictly in accordance with the relevant norms in PWD manual.

As the progress of roll out of Phase-II solely depends on the completion of the backlog entry, all license issuing officers are directed to bestow your personal attention in this matter and to **complete the backlog entry of all the contractors registered under the respective offices, on or before 30.11.2022.**

A representative guideline for the above is attached along with, for reference.
