Kerala Water Authority

No: KWA/HO/RMC/R4/769/2020

Dated, Thiruvananthapuram, 04.11.2020

Ref:- Order No.KWA/HO/RMC/R4-001/2016 dated 26.09.2016

Order

It is observed that a lot of petitions requesting OTS, request for waiving long pending arrears and fine against LSGDs Street Taps are received in Head Office due to non-implementation of delegated power to the subordinate officers similar to Government Departments or due to the complex procedures adopted at present. As per the reference cited above, all Executive Engineers were delegated with the powers to sanction all OTS/Surcharge waiver/Leak benefit in respect of water connections at Government institutions, Quasi Government and Public Sector Undertakings. Hence to reduce the number of complaints the same powers delegated to Executive Engineers in respect of above category of water connections need to be extended to the Water Connections of LSGD's and Street taps.

In the above circumstances, the powers delegated to all Executive Engineers to sanction all OTS/Surcharge waiver/Leak benefit in respect of water connections at Government institutions, Quasi Government and Public Sector Undertakings as per reference cited as above is extended to the Water Connections of various LSGD's including Street Taps. The enhanced powers shall come in to force at once, Meanwhile the CE/SE concerned are directed to bestow their strict supervision on the implementation of enhanced delegation of power and to instruct their subordinates to act accordingly.
