CIRCULAR

Sub:- Distribution of drinking water to flats/colonies-  
water tariff-regarding

Ref:- Resolution No.2930, of the 125th meeting of Kerala  
Water Authority, held on 22-12-1993.

Authority in its 124th meeting held on 30-11-1993 has  
a policy for billing water supplied to flats and colonies  
supply. Resolution No. 2930 of the Authority is  
below:-

Resolved to install mass meters at the common sumps of  
Flats/Colonies and divide the total supply to the sump  
number of households in the Flat/Colony and to charge each  
for this quantity at the appropriate slab of the  
tariff.

All the Officers of the Kerala Water Authority are  
to implement the policy while billing Flats/Housing  
water supply. Where separate meters already exist  
individual houses within a housing colony/flats the existing  
separate billing may be continued. The average  
consumption should be worked out and billed accordingly from  
1994 onwards.
