| 7. Sri. Raveendran T. | Technical Member |
| 8. Sri. V.S. Pradeep | FM&CAO, Special invitee |
| 9. Sri. Sreekumar M. | Secretary |

Item No. I (1) Minutes of the 392nd meeting held on 18/05/2017

The Authority confirmed the Minutes of the 392nd meeting held on 18/05/2017

Item No. II (1) Review of Action Taken in the Previous Meetings

The Authority reviewed the Action Taken in the Previous Meetings. The Managing Director informed that instructions have been issued to all concerned to take action in the board decisions without delay. The old cases will be reviewed and it is planned to complete the backlog within 3 months.

Item No. III (1) Enhanced rate of Dearness Allowance/Dearness Relief – Extension of benefit to the Employees/Pensioners of Kerala Water Authority

Res. No. 10527 The Authority discussed the agenda and **resolved to ratify the action in implementing the G.O.(P)No. 55/2017/Fin dated, 26.04.2017 for enhancing the rate of Dearness Allowance/ Dearness Relief to the Employees/Pensioners and Family Pensioners of KWA with effect from 01.01.2017**

Item No. IV (1) KIIFB- SIP-WSS to Mattannur & Iritty Municipality- Package II-Design, construction and commissioning of Treatment Plant(42 MLD), Clear water reservoir

Res. No. 10528 The Authority discussed the subject tender in detail and noted that this is the first tender call wherein three offers were received and all three prequalified. The lowest tenderer is M/s. Laxmi Civil Engineering Services Pvt. Ltd and their quoted amount is ₹ 21,91,14,800/- which is 14.56% below the

Secretary

Managing Director

Chairman

tendered PAC of ₹25,64,46,880 /- based on DSR2014. The Authority noted the observation of the High Level Committee that even though the L1 bidder submitted Q8 form stating Not Applicable, but in the work of "SPAN- Water Supply Scheme to Anjarakandy, Kadirur, Eranholi, Muzhappilangad, Peralassery and Adjoining panchayaths in Kannur district package-I, M/s Laxmi Civil Engineering Services Pvt. Ltd have filed a suit against Kerala Water Authority which was settled by the Hon'ble Supreme Court of India in their favour. As per the NIT the offers are liable to be rejected if the information given in formats Q1 to Q8 is incomplete/ misleading or false. Taking cognizance of the above fact and also that the offer of the L1 bidder is 14.56% below tendered PAC the HLC has recommended to place the subject tender before the board for a decision. The Authority discussed the issue in detail. After detailed discussion the Authority **resolved to obtain explanation from the firm for the discrepancy and if the same is satisfactory accord sanction to award the work of - WSS to Mattannur & Iritty Municipality-Package II-Design, construction and commissioning of Treatment Plant(42 MLD), Clear water reservoir (KIIFB Works), to the lowest tenderer M/s. Laxmi Civil Engineering Services Pvt. Ltd at the quoted amount of ₹ 21,91,14,800/- which is 14.56% below the tendered PAC of ₹25,64,46,880/- based on DSR2014 . Additional performance guarantee as per rules shall be collected before executing the agreement.**

Item No. IV (2) KIIFB-Comprehensive WSS to Ponnani Municipality and adjoining villages. (Package-II) - Supplying, laying testing and commissioning clear water pumping main (700 mm DI and MS pipes) – 8000 m

Res. No. 10529 The Authority discussed the subject tender in detail and noted that this is the first tender call, where in eight offers were received out of which seven are technically qualified. The lowest tenderer is M/s Reena Engineers & Contractors Pvt. Ltd, Panaji, Goa and their quoted rate is ₹ 11,40,85,760 which is 13.92% below the tendered PAC amount of Rs.13,25,38,587 based on DSR2014 (KWA SoR Version 7). After detailed discussion the Authority **resolved to accord sanction to award the work 'KIIFB-Comprehensive WSS to Ponnani Municipality and adjoining villages. (Package-II) - Supplying, laying testing and commissioning clear water pumping main (700 mm DI and MS pipes) – 8000 m' to the lowest tenderer, M/s Reena Engineers & Contractors Pvt. Ltd, Panaji, Goa at their**

Chairman

quoted amount of ₹ 11,40,85,760/- which is 13.92% below the tendered PAC of ₹ 13,25,38,587/- based on DSR2014. Additional performance guarantee as per NIT shall be collected from the contractor before executing the agreement. The working charges for pipe laying are quoted very low and the billing breakup shall be so adjusted that if these items are not executed by the contractor, deduction at estimate rate may be effected.

Item No. IV (3) Special investment Package –WRD 002-05- CWSS to Ponnani Municipality and adjoining Villages –Package I

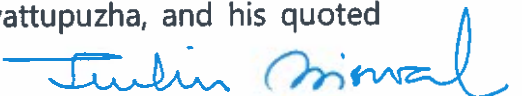

Res. No. 10530 The Authority discussed the subject tender in detail and noted that this is the first tender call, where in two offers were received and both prequalified. The lowest tenderer is Sri. Shahul Hameed V, Varikkodan House, Down Hill P.O. Malappuram JV with MN Ramesh Engineers and Contractors, DHANU, No.S-6, 1st main, 2nd cross, Vishweshwaraiah Layout, Shanithi Nagar, Thumkur and Sudhanva Engineers and Builders, No. 36, Santrupthi, Flat No. 3B, 1st Cross, Malleswaram, and their quoted amount is ₹ 38,84,04,000/- which is 2.6% below the tendered PAC of ₹39,87,91,547/- based on DSR2014. After detailed discussions the Authority **resolved to accord sanction to award the work of 'KIIFB - Special investment Package – WRD 002-05- CWSS to Ponnani Municipality and adjoining Villages –Package I- Construction of 12 m Dia Well cum pump house, Supplying, Laying testing and Commissioning (1016 mm OD, 10 mm thick) MS Raw water pumping main, Construction & commissioning of 50 MLD (2200 m3/ Hr) WTP, Sump and allied works, construction of compound wall, Staff Quarters (8 Nos) conference hall, store Building etc.'** to the lowest tenderer, Sri. Shahul Hameed V, Joint Venture with MN Ramesh Engineers & Contractors, and Sudhanva Engineers & Builders at their quoted amount of ₹ 38,84,04,000/- which is 2.45 below the tendered PAC of ₹39,81,91,444/- based on DSR2014.

Item No. IV (4) Aug. of Urban Water Supply Scheme to Shornur Municipality and Vaniyamkulam Panchayath –Design, Construction and Trial running, Commissioning and Maintenance of 20 mld Water Treatment Plant including 9LL sump cum pump house

Res. No. 10531 The Authority discussed the subject tender in detail and noted that this is the first tender call, where in five offers were received and all five prequalified. The lowest tenderer is Sri. Joseph John, Monipillil House, Muvattupuzha, and his quoted

Secretary

Managing Director

Chairman

amount is ₹ 14,29,38,500/- which is 18.06% below the tendered PAC of ₹ 17,44,42,422/- based on DSR2014 (KWA SoR Version 7). After detailed discussion the Authority **resolved to accord sanction to award the work 'KIIFB- Special Investment Package :- Aug. of Urban Water Supply Scheme to Shornur Municipality and Vaniyamkulam Panchayath -Design, Construction and Trial running, Commissioning and Maintenance of 20 mld Water Treatment Plant including 9LL sump cum pump house' to the lowest tenderer, Sri. Joseph John, Monipillil House, Muvattupuzha, at his quoted amount of ₹ 14,29,38,500/- which is 18.06% below the tendered PAC ₹17,44,42,422/- based on DSR2014 (KWA SoR Version 7), subject to the condition that in case the contractor does not carry out the items which are quoted much lower than the estimate rates viz., item No.6.01 in the BOQ - Construction of Valve chambers, supply and erection of transformers, working charges for laying pipes etc., deductions at estimate rate shall be effected from the bills. Additional performance guarantee as per rules shall be collected before executing the agreement.**

Item No. V (1) KIIFB – Special Investment Package –WSS to Kasaragod Municipality and Chemmnad Panchayath Phase I- Package II- Supply and Erection of Raw Water Pumpsets, Transformer and accessories Construction of Substation Building & allied works, Supplying and Laying Raw Water Pumping Main, Clear Water Pumping Main and Construction of 11LL Capacity OHSR at Bovikkanam-Tender

Res. No. 10532 The Authority discussed the subject tender in detail and noted that this is the first tender wherein two offers were received and the lowest tenderer is Sri. K.Kannan JV with M/s Sakthi Enterprises at the quoted amount of ₹ 9,08,49,039.76/- which is 11.02% below the TPAC of ₹ 10,21,00,660/-based on DSR 2014 and KWA SoR and 17.35% below the LMR estimate. After detailed deliberations the Authority **resolved to accord sanction to award the work of "KIIFB- Special Investment Package –WSS to Kasaragod Municipality and Chemmnad Panchayath Phase I- Package II-Supply and Erection of Raw Water Pumpsets, Transformer and accessories Construction of Substation Building & allied works, Supplying and Laying Raw Water Pumping Main, Clear Water Pumping Main and Construction of 11LL Capacity OHSR at Bovikkanam"** to the lowest tenderer Sri. K.Kannan JV with

Secretary

Managing Director

Chairman

M/s Sakthi Enterprises at their quoted amount of ₹9,08,49,039.76/- which is 11.02% below the tendered PAC of ₹10,21,00,660/- based on DSR 2014 & KWA SoR after ensuring that license of JV partners are renewed before executing the agreement and after collecting all the details of electro mechanical instrument including transformer with the assurance of being reputed /approved make.

Item No. V (2) *KIIFB- Special Investment Package -WSS to Kasaragod Municipality and Chemnad Panchayath Phase I - Package III- Design, construction and commissioning of 55 MLD Water Treatment Plant, Clear Water sump, Supply and erection of Clear Water pumpset, 1000 KVA transformer and construction of Substation Building*

Res. No. 10533

The Authority discussed the subject tender in detail and noted that the tender is the first E-tender wherein 3Nos. of offers were received and the lowest tenderer is Sri. K.Kannan JV with M/s Laxmi Civil Engineering Services (P) Ltd with quoted amount of ₹24,89,35,720/- which is at 17.59% below the TPAC of ₹30,20,52,364/- and 19.2% below the LMR estimate. After discussions the Authority resolved to accord sanction to award the work of "KIIFB- Special Investment Package - WSS to Kasaragod Municipality and Chemnad Panchayath Phase I - Package III-Design, construction and commissioning of 55 MLD Water Treatment Plant, Clear Water sump, Supply and erection of Clear Water pumpset , 1000 KVA transformer and construction of Substation Building" to the lowest tenderer Sri. K.Kannan JV with M/s Laxmi Civil Engineering Services (P) Ltd after reducing the cost of 1 No, 1000 KVA transformer from the quoted amount of ₹24,89,35,720/- which is at 17.59% below the TPAC of ₹30,20,52,364/- based on DSR 2014 & KWA SoR after ensuring the following points by the tendering authority.

- 1.The licenses of the JV partners are renewed before executing the agreement.
- 2.The details of make of all electro-mechanical equipments including transformer should be collected and ensure that the same is of reputed/approved make.
- 3.No duplication of measurement of work between previous work cancelled and the present tender work is made.
4. Additional Performance Guarantee as applicable shall be collected before executing the agreement.

Item No. V (3) KIIFB – Special Investment Package – WSS to Mattannur and Iritty Municipality - Package I – Design, construction, commissioning of intake well cum pumphouse, Raw water pumping main Raw water pump set, Transformer and Substation building etc at pumping station , Veliyambra.- Tender

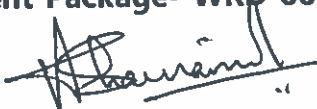

Res. No. 10534 The Authority discussed the subject tender in detail and noted that this is the first tender call and two nos of contractors/firms participated in the tender and both prequalified. The lowest tenderer is M/s.Reena Engineering & Contractors Private Limited who has quoted an amount of ₹ 1559,10,384.86 which is 10 % below the tendered PAC of ₹1732,33,762/-based on DSR 2014 and 17.17% below ₹18,82,26,145/- based on LMR. After discussions the Authority **resolved to accord sanction to award the subject work to M/s.Reena Engineering & Contractors Private Limited at the quoted amount of ₹15,59,10,384.86 which is 10 % below the tendered PAC of ₹1732,33,762/-based on DSR 2014.**

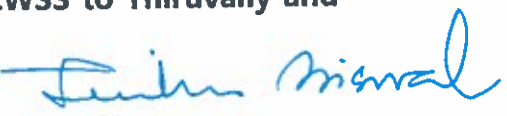

The quoted amount for transformer and building is found to be 66.87% below the estimate rate as per DSR. Hence the authority also directed to restructure the payment schedule so that the estimate amount will be available for recovery, if the above item is not executed by the contractor. The Tendering Authority shall verify the details and ensure that all the electromechanical items including pumps, motor and transformer are of an approved/ reputed make.

Item No. V (4) KIIFB - Special Investment Package- WRD 003-04-CWSS to Thiruvally and adjoining Villages - Phase I, & II-Supplying Laying Testing and Commissioning Distribution system to Thiruvally Panchayath including Clear Water Pumping main to Wandoor (250mm DI K9 pipe) and supply erection and commissioning of clear water centrifugal pumpset at CW Pump House in WTP site -Tender

Res. No. 10535 The Authority noted that this is the first e-tender for the subject work wherein 5 bidders participated, out of which M/s TOMCO Engg Pvt Ltd has quoted the lowest amount ₹ 15,91,74,000/- which is 9.99% below tendered PAC ₹ 17,68,47,659/- based on DSR 2014 and 24.35% below the estimated amount based on LMR. The Authority after detailed discussion **resolved to accord sanction to award the work "KIIFB - Special Investment Package- WRD 003-04-CWSS to Thiruvally and**

adjoining Villages - Phase I, & II-Supplying Laying Testing and Commissioning Distribution system to Thiruvally Panchayath including Clear Water Pumping main to Wandoor (250mm DI K9 pipe) and supply, erection and commissioning of clear water centrifugal pumpset at CW Pump House in WTP site" to the lowest tenderer M/s TOMCO Engg Pvt Ltd at the quoted amount of ₹ 15,91,74,000/- which is 9.99% below the tendered PAC ₹ 17,68,47,689/- based on DSR 2014 with direction to ensure that the estimate amount for working charges is made available to be recovered in case the pipe supplied is not laid. Regarding the pumpset & electro mechanical equipments, the Tendering Authority should verify and ensure to obtain the MoU of the L1 tenderer with an electrical licensee who has the required experience for supplying and erection of pumpsets as per specification and for executing the electrical installations, before the execution of agreement.

Item No. V (5) KIIFB – SIP - WSS to Koyilandy Municipality and Adjoining Panchayaths (Phase I) - Package II in Kozhikode District – Supplying, laying, testing clear water transmission mains, construction of service Reservoirs and construction of Booster pumping station –Tender

Res. No. 10536 The Authority discussed the agenda in detail. It is noted that two tenderers have participated in the tender and were pre qualified. The lowest bid was that of Sri.Shahul Hameed V., Varikodan House, Down Hill P.O.,Malappuram. The quoted amount is ₹21,92,00,400/- which is 1.58% below the tendered PAC of ₹22,27,31,706.00 based on KWA SOR 2014 & DSR. The high level committee has reported that the amount quoted for the item Nos. 3.01, 3.02 and 3.03 of the schedule are found to be very high and hence recommended to limit the amount quoted to 10% above DSR/approved rate, or to direct the tendering authority to delete the item from the scope of work while issuing the work order. After discussion the Authority resolved to accord sanction to award the work "KIIFB – SIP - WSS to Koyilandy Municipality and Adjoining Panchayaths (Phase I) - Package II in Kozhikode District – Supplying, laying, testing clear water transmission mains, construction of service Reservoirs and construction of Booster pumping station" to the lowest tenderer *Sri. Shahul Hameed V. JV with Shri.Rameshan K.* either for an

Secretary

Managing Director

Chairman

amount of ₹ 20,71,42,143/- by limiting the quoted amount for Working charges in item Nos.3.01,3.02 & 3.03 of schedule to 10% above DSR estimate rate and eliminating item No.2.03 of Schedule for Supply of Materials or for an amount of ₹ 20,44,52,400/- by eliminating item No. 2.03 (Supply of Materials) and the items 3.01,3.02,3.03 (Working Charges) from scope of work if the L1 tenderer is not willing to execute the above item 3.01,3.02,3.03 (Working Charges), at the reduced rate. Tendering Authority is also directed to ensure that

1. All land required is under KWA possession as per KIIFB norms before issuing work order.
2. The Package name is corrected before signing the agreement with L1 tenderer.
3. Provisions are made in the Agreement to enable recovery to be made at the estimate rate of non executed works, if the contractor fails to execute any item under the scope of work even though the amount quoted for the item is found to be below the estimated rate.
4. The licenses of both the JV partners are valid at the time of executing the agreement.
5. Collect the Credit rating/solvency certificate for a minimum of ₹177.00 lakhs from Shri.K.Rameshan (JV Partner) before awarding the work.
6. The detailed specification of pumpsets and other electromechanical equipments including flow meter should be collected, verified and approved before placing the work order

The Authority also resolved to entrust the Regional Chief Engineers to conduct a meeting of the contractors and issue necessary instructions for submission of tenders and reasonableness of rates.

A Circular shall be issued specifying the guidelines for scrutiny of the tenders with reference to the estimates, breakup rates in a LS tender and payment schedule.

Item No. V (6)

KIIFB - SIP -Comprehensive WSS to Thachanattukara, Alanallur and Kottopadam panchayaths in Mannarkkad Taluk in Palakkad District - Design, construction, commissioning and maintenance of 19 mld WTP and allied works, intake well cum pump house, supplying and laying of Raw water pumping main 500mm DI K9 and supply & erection of Raw water pump sets, transformer etc-Tender

Secretary

Managing Director

Chairman

Res. No. 10537 The Authority discussed the agenda in detail and noted that this is the first e-tender for the subject work and four tenderers have participated and the lowest tenderer is Sri.Binu Mathew, Kottavirithil House, Anaprambal North (PO), Thalavadi Joint Venture with 1,Sri. N. Rajan, Kallayam 2, M/s Techzone Engineers, Eranakulam 3, Sri.Suresh Devesan, Proprieter, Kevin Water and Power, Thirumala, Thiruvananthapuram whose quoted amount is ₹19,10,31,500/- which is at 11.18% below the tendered PAC of ₹21,50,81,345/- based on DSR 2014. After discussions the Authority resolved to accord sanction to award the work of "KIIFB - SIP –Comprehensive WSS to Thachanattukara, Alanallur and Kottopadam panchayaths in Mannarkkad Taluk in Palakkad District - Design, construction, commissioning and maintenance of 19 mld WTP and allied works, intake well cum pump house, supplying and laying of Raw water pumping main 500mm DI K9 and supply & erection of Raw water pump sets, transformer etc" to the lowest tenderer Sri.Binu Mathew Joint Venture with 1,Sri. N. Rajan, 2, M/s Techzone Engineers, and 3, Sri.Suresh Devesan, for the reduced amount of ₹18,74,24,921/- which is at 12.86% below the tendered PAC of ₹21,50,81,345/-based on DSR 2014 & KWA SoR and 14.86% below the LMR estimate after insisting additional Performance Guarantee as per Govt. order. The Tendering authority should ensure that the electro mechanical equipments are of reputed/approved make and that FCMA soft starter is used. Since the working charges for pipeline work is found to be 49.81% below, the Tendering Authority shall ensure the estimate rate is available for recovery in case the same is not executed.

The Authority also resolved to revise the present rates for VT pumpsets which are issued during 2012.

Item No. VI (1) KIIFB-Special investment Package –WRD 002-05- CWSS to Ponnani Municipality and adjoining Villages –Package I- Construction of 12 m Dia Well come pump house, Supplying, Laying testing and Commissioning (1016 mm OD, 10 mm thick) MS Raw water pumping main, Construction & commissioning of 50 MLD (2200 m³/ Hr) WTP, Sump and allied works, construction of compound wall, Staff Quarters (8 Nos.) conference hall, store Building etc.

Noted.

Chairman

Item No. VI (2) Estt – Formation of Kozhijanpara Section under P.H. Sub Division Chittur, Palakkadu

Res. No. 10538 The Authority discussed the agenda in detail and **resolved for formation of new section office of Kerala Water Authority at Kozhinjampara under P.H. Sub Division, Chittur, under P.H. Division, Palakkadu by utilizing the service of existing staff from the Division with minimal displacement. The Managing Director, KWA is entrusted to take necessary action to implement the proposal by rearranging sections under these Sub Divisions for administrative convenience.**

Item No. VI (3) Implementation of NRDWP projects in view of revised norms of Government of India

Res. No. 10539 The Authority discussed the agenda in detail and **resolved to**

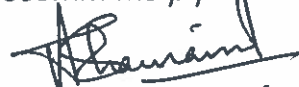

- 1. Keep on hold all the 42 non-started and not tendered NRDWP schemes which come under 0% physical progress and all the 12 tendered schemes but not started, except the four schemes for which the tenders were approved by the Authority and already taken up with the State Government for assistance under State Plan- Optimisation head.**
- 2. Consider KIIFB / NABARD funding for the schemes not yet started depending on their necessity / urgency.**

Item No. VI (4) WSS to Elikkulam Panchayat in Kottayam District – Supplying, laying, testing, commissioning and maintenance of various sizes of PVC and GI pipes – providing distribution net work-Tender

Res. No. 10540 The Authority discussed the agenda in detail and noted that the subject work is under NRDWP and is yet to be started. As per the Central Government Norms dated, 1.11.2016, the State Government has to ensure funds for NRDWP works for which 25% progress has not been achieved. The Authority accepted the recommendation of the High level Committee and **resolved to cancel the subject tender and to re-tender the same after obtaining fresh Administrative sanction under appropriate head.**

Item No. VI (5) EMWSS – Laying, testing and commissioning 700mm DI pipe from Mattanchery halt to the underside of Thoppumpady bridge from 700mm DI pipe laid under JnNURM project to the newly laid 600mm MS pipe-Tender - Ratification of approval

Secretary

Managing Director

Chairman

Res. No. 10541 The Authority discussed the agenda in detail and **resolved to ratify the action of the Superintending Engineer in having sanctioned the subject tender for ₹30,44,422/- @ 20.67% above the tendered PAC of ₹25,22,914/- based on DSR 2014, considering the fact that the above work was very essential for improving Water Supply to Western Kochi and to be completed in the drought period and has already been completed satisfactory.**

Item No. VI (6) WSS to Vilakudy, Vettikavala and Melila Panchayat Package II – Construction of 5.5lakh litre capacity OHSR at Manjamonkala – Supplying & laying clear water pumping main from treatment plant to GLSR at Chiyode with 400mm DI K9 for a length of 4300 m and construction of 10LLcapacity GLSR at Chiyode

Res. No. 10542 The Authority discussed the subject tender in detail and observed that the subject tender was invited with TPAC based on SoR 2012, which is found to be against the prevailing directions and the Tendering Authority has opened the price bid without meticulously verifying the prequalification criteria. Hence the Authority **resolved to cancel the subject tender and retender the work after revising the estimate to current SoR.**
