KERALA WATER AUTHORITY

Jalabhavan
Thiruvananthapuram – 695033

Kerala - India

Dated: 15-04-2025

No.KWA-JB/9709/2024-N.O.(ADMN-ITS)

Circular

Sub: Kerala Water Authority – Implementation of 'gov' Email System as Mandatory Communication Platform in All Offices – Directions Issued:-

This is to bring to your attention an important directive regarding the use of official email for communication within Kerala Water Authority and with other government bodies.

As per the latest advisory issued to CISO's by the ~~th~~Indian Computer Emergency Response Team (CERT-In) , it is strongly recommended that all government officials and personnel should use official government email IDs (@gov.in or @nic.in) for conducting official correspondence. This step is vital to enhance cybersecurity, protect sensitive information, and align with national-level policies for secure communication. It has been inferred that a considerable number of personnel/offices are currently using non-government email services such as Gmail, Yahoo, Outlook etc., for official communication. Please note that such platforms do not comply with the Government of India's cybersecurity guidelines and may pose risks including data breaches and phishing attacks.

In view of the above, all employees are hereby instructed to:

1. **Use only GOV mail (@gov.in / @csir.res.in / @nic.in) for all official communication.**
2. **Refrain from using personal email accounts (e.g., Gmail, Yahoo) for any work-related communication.**

To minimize the use of other third party emails and implement the "gov" email system as the mandatory communication platform, KWA has created 'gov' email IDs for all offices up to the division level.

Officers can access their 'gov' email by following these steps:

1. Open the gov email portal at **<https://email.gov.in>**. Before logging in, reset the password.
2. To reset the password:

- Click on '**Forgot password**'.
- Enter the email address in the format: **designation/unitname@kerala.gov.in** (refer to the annexure for details).
- Provide the last 4 digits of the registered mobile number and the captcha.

3. After resetting the password, download the **Kavach Authentication App** from the Play Store: **https://play.google.com/store/apps/details?id=com.gov.in&hl=en_IN&gl=US**

4. Log in to Kavach:

- Enter the email ID and password.
- Agree to the Terms and Conditions.
- Click '**Login**'.

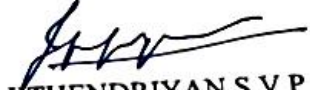

5. Now, log in to the email portal at **<https://email.gov.in>**:

- Enter the email ID and password.
- Click '**Sign in**'.
- Accept the notification on your mobile (through the Kavach application).

Concerned officers are requested to log in using their government email ID by following the steps mentioned above.

Kindly treat this matter with utmost priority. Let us collectively ensure our organization's compliance with national cybersecurity standards and help maintain the integrity and confidentiality of our communications.

For any assistance in creating or accessing your GOV mail ID, please contact Sri. Hemanth G R- GOV mail support desk @ [9446108616].

JITHENDRIYAN S V P
CISO, KWA
